THE CLASSIC

THE CLASSIC

Join us for the 39th Annual New England Classic Charity Trail Ride. Help us fundraise for a cure while enjoying a memorable weekend of riding New Hampshire's back roads and trails!

Thank You To Our Friends At Suzuki...

Suzuki and the New England Suzuki Dealers have been an outstanding Sponsor of the Classic since 1998. Over the years they have donated close to a million dollars in product and sponsorship dollars.

In 2019, to help celebrate our 39th year of riding for a cure, Suzuki has once again generously donated a brand new 2019 RMX450Z for the Suzuki drawing Sunday morning. We are grateful for this most generous support from Suzuki!

Please visit our website for fees, schedule, rules & regulations

CFF Information

The Cystic Fibrosis Foundation has unrestricted financial reserves of about 13 times its 2018 budgeted expenses following a one-time royalty sale in 2014. These funds, along with the public's continuing support, are needed to help accelerate our efforts to pursue a cure for this fatal disease, fund development of new therapies, and help all people with CF live full, productive lives. To obtain a copy of our latest Annual Report, visit <https://www.cff.org/About-Us/Reports-and-Financials/>, email info@cff.org or call 1-800-FIGHT-CF.

Important Note on Attendance at Foundation Events:

To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends that all people with CF maintain a safe 6-foot distance from each other at all times while attending an outdoor Foundation-sponsored event. To reduce the risk of getting and spreading germs at CF Foundation-sponsored events, we ask that everyone follow basic best practices by regularly cleaning your hands with soap and water or with an alcohol-based hand gel, covering your cough or sneeze with a tissue or your inner elbow and maintaining a safe 6-foot distance from anyone with a cold or infection. Medical evidence shows that germs may spread among people with CF through direct and indirect contact as well as through droplets that travel short distances when a person coughs or sneezes. These germs can lead to worsening symptoms and speed decline in lung function. To further help reduce the risk of cross-infection, the Foundation's attendance policy recommends inviting only one person with CF to attend the indoor portion of a Foundation-sponsored event at a specific time. For the outdoor portion, the Foundation recommends that all people with CF maintain a safe 6-foot distance from each other at all times.
