# Fundraising Checklist: 10 Steps to Success

## ✓1. Register

Go to [www.cff.org/greatstrides](http://www.cff.org/greatstrides) and sign up for a walk near you. You can sign up as a walker on a team, an individual walker or the team leader of your own team!

## ✓2. Set your fundraising goal

The average raised by a Great Strides walker is \$300. Set a goal of \$500 to become a Super Strider and receive special recognition at the walk.

## ✓3. Set up your personal web page

It takes just a few minutes to set up a personalized Great Strides page, and it's quick and easy to share it with your friends. They can choose to donate online, join your team or forward your page on to their friends.

## ✓4. Write your fundraising letter

Why not tell your friends, family and colleagues that you have signed up and made a commitment to help cure CF? Write a personal letter or email to let them know why you are walking and ask for their support. You can use the Great Strides website to manage your emails.

## ✓5. Go Mobile

Download the new Great Strides mobile application to fundraise on the go! You can download the app from iTunes or Google Play Store. Once you're registered, log into the app and send emails or texts asking for support.

## ✓6. Invite a friend to walk with you

Everything is more fun with a friend! Ask a friend or two or more to join you in the fight against CF. They can sign up to walk with you and ask their friends and family to support them.

## ✓7. Follow up with the people you asked

Most people donate within three days of receiving your email. If one of your prospective donors doesn't reply, your email might have been lost in the shuffle. Send out a reminder and ask again.

## ✓8. Ask your employer about matching gifts

Find out if your employer has a matching gift program and see if they will match the total that you raise.

## ✓9. Attend the Great Strides walk and celebrate your success

Our progress in the search for a cure would not be possible without you and the walk is a great opportunity to celebrate all your hard work!

## ✓10. Thank your donors and tell them about the event

Let everyone know how much fun the walk was and how much you raised. They will appreciate knowing that their contribution made a difference.

**Because of you, the CF Foundation is Adding Tomorrows for those with cystic fibrosis. We want your experience with Great Strides to be as rewarding as possible. Please feel free to contact the CF Foundation with questions or comments at any time.**

# Let's Get Started!

## Set a Fundraising Goal

Decide how much you are going to raise and tell everyone your goal. People get excited to donate when they see that their contribution helps move you closer to your goal. When setting your goal, think about who has the ability to donate to you and how many people you can ask. Most walkers raise an average of \$300! Set a goal of \$500 to become a Super Strider and receive special recognition at the walk.

## What to do with the donations you collect

If you have received cash or check donations, you can avoid the hassle of bringing them with you to the walk, (and have them credited to your account faster) by mailing them in. Print the Great Strides Mail In Donation form that is available in participant center and send it along with your cash and/or check(s) to the address listed on the form.

## What to expect on walk day

When you come to the walk, please visit the registration table and turn in any donations you bring with you. To make registration quick and easy, convert any cash and coin donations you have into a check before walk day. Walkers who raise \$100 or more will receive a T-shirt and walkers who raise at least \$500 will receive special Super Strider recognition. Food and family-friendly activities are featured at every local walk. Contact your chapter to learn about the special things happening at your event. Remember: we walk rain or shine. We look forward to seeing you at Great Strides!
