

Who Do You Know?

The key to building a cycle team and a successful fundraising campaign depends on asking people you know for support. Think about everyone whose lives you touch and ask him or her to join your team or make a donation. Use this chart to help you identify people that you know and organize them into categories.

Start with the easiest people to reach - your family and friends. Next, ask acquaintances and personal vendors. Before you know it you will have a complete list of people you know!
